## Education

*The following centennial proposal is certified as eligible for Centennial Challenge funding consideration in fiscal year 2008. Funding for the Centennial Challenge requires legislation.*

### **Dimensional Art - Virtual Fredericksburg Battlefield**

Location: Fredericksburg, Virginia

Partner(s): General Donations

Partner Website: N/A

Total Cost: \$40,000 + \$40,000 + \$80,000

Proposal # 96424

**Summary:** This project will produce digital artwork of the Sunken Road area of the Fredericksburg Battlefield to be used in a variety of venues, including an interactive visitor center video program. The project will recreate a battlefield lost to development through virtual means and help us reach visitors of all ages, but especially children.
